**JASS SARAI**  
PwC (VOTING PANEL CHAIRMAN)

Jass is PwC's UK Technology Industry Leader. In this role, Jass leads the services PwC provides to its clients within the sector, ensuring that PwC offers insight, analysis and value and helping clients develop and implement strategies. Jass has worked in the sector for over 15 years, during which he has been based in Boston and London. He has significant experience with high-growth companies, SEC and UK Listings, and the issues facing companies as they grow rapidly in a market dominated by change.

**ROSH WIJAYARATHNA**  
SILICON VALLEY BANK

Rosh leads Silicon Valley Bank's Corporate Technology team in the UK, focusing on providing support and financing for technology and innovation businesses predominantly in the public markets.

With 16 years of financial services experience (including Barclaycard and Barclays' Corporate and Investment Bank TMT team), Rosh has worked across a broad spectrum of growth and technology businesses including many high-profile acquisition financings, LBOs, IPOs and public to privates. Since joining SVB in 2014, Rosh has built a market-leading team devoted to later stage businesses and has since supported a number of key clients with debt and global treasury solutions including The Hut Group, Mimecast, Learning Technologies Group plc, CentralNic Group plc, IMImobile and GB Group plc.

Rosh has a BSc in Accounting and Finance from the University of Southampton and is a Chartered Marketer.

**NIALL CALLAN**  
DESIGN PORTFOLIO

---

Niall has been advising companies on their digital communications for over a decade. In this time he has worked at leading digital and communication agencies. Now heading up digital at Design Portfolio, Niall is responsible for all aspects of digital from project inception through to delivery, and the ongoing care of clients' digital communications.

**JAMES CHAPMAN-ANDREWS**  
OAKLEY ADVISORY

---

James joined Oakley Advisory in June 2011 and has completed more than 30 transactions in his career. He specialises in mid-market technology and telecoms deals, including everything from mergers and acquisitions through to fundraisings and public markets deals including IPOs, with average deal sizes typically between £25m and £200m. James' recent completed transactions include the sale of security specialist CNS Group to 6 Degrees, the equity fundraising for cloud solutions delivery portal iPortalis from NorthEdge Capital, the MBO of data management software provider Redstor backed by Beech Tree Private Equity and the MBO of IT services specialist CSI backed by MML Capital.

Prior to Oakley, James spent four years in TMT M&A at Deloitte and before that qualified as an ACMA with BT, working in Corporate Finance, BT Global Services and BT Conferencing. James has a joint honours degree in Engineering with Business Finance from University College London and the LSE.

**HARRY CHATHLI**  
LUTHER PENDRAGON

Harry is a financial PR and media strategist. Over the past 15 years, he has designed and implemented successful communications campaigns to raise the profile of public and private companies in a variety of sectors, with a particular strength in technology-led businesses. Harry has been the key PR adviser in over 30 IPOs on the London Stock Exchange (Main Market and AIM), NASDAQ and other global bourses, as well as in other transactions and corporate events such as M&A, MBOs, crisis communications, boardroom disputes and shareholder activism. Harry's strength in PR strategy is built on his previous experience as a management consultant advising foreign Governments on their economic reform programmes.

**THOMAS EASTERBY**  
BARCLAYS

Tom is Head of Venture Capital Coverage at Barclays and leads a team providing dedicated relationship support to VCs in their interactions with the bank. This ranges from assisting portfolio companies with their operational banking and financing needs, including providing venture debt to businesses from Series A onwards, to linking with Private and Investment Bank colleagues to support founders and VCs with sale and exit planning, and finally supporting VCs with fund level banking where required. In addition, Tom and his coverage team are a useful conduit between Barclays Technology and Innovation colleagues and the external wider ecosystem, helping portfolio companies, VCs and other connected parties understand Barclays' technology needs and strategic direction. Tom's background is financing with many years' experience of lending, specifically for businesses in the TMT space.

## RICHARD LONGDON

---

Richard has enjoyed a very successful career in the technology sector, most notably having served with AVEVA Group plc for 33 years, during which time he was CEO for 17 years. He retired from that role in December 2016, since then he has gone on to serve some of the UK's brightest tech companies. He is Senior Independent Non-executive Director at Alfa Financial Software Holdings plc, and served as a Senior Independent Non-executive Director of Fidessa group plc from March 2017 until the company's sale in August 2018. He has been Chairman of Process Systems Enterprises Ltd since January 2015 and a Non-executive Director of Prometheus Group Enterprises LLC in the US since June 2017.

## FATI NARAGHI

NEWTON INVESTMENT MANAGEMENT

---

Fati is the Global Technology Analyst at Newton Investment Management, where she is responsible for close to £4bn of investments in the global technology sector.

Fati has spent her entire career in the technology sector. Prior to Newton, she was a founding partner of ACN & Co, a successful strategic advisory company. ACN's clients included leading global telecom companies in Europe and Asia. Before starting ACN, Fati was a senior systems engineer at AT&T Network Systems in the UK and AT&T Bell Labs in the US.

Fati has a DPhil from the Department of Engineering Science at the University of Oxford. She has done post-doctoral research in the Department of Computing at Imperial College London. She was also a Visiting Fellow at MIT Sloan School of Management.

**MILAN RADIA**  
2020 RE:THINK

---

Milan is a leading Equity Research Analyst focusing on coverage of European data centres of operators, software vendors, payments processors and IT services providers. He has 24 years of equity market experience and has won a number of awards in recent years. In 2017, Milan was ranked the No.1 earnings estimator in the UK for his sector in the Thomson Reuters StarMine Awards. This followed No.1 StarMine rankings for Europe in 2010 and 2011 and a No.2 ranking in the UK in 2011. In 2015, Milan's team was ranked No.1 by corporate management teams for UK Small and Mid-cap Technology Research in the Extel Awards. Milan has also been techMARK Analyst of the Year and achieved top three institutional investor sector ranking for his coverage of the software and telecoms sectors. Milan started his career at Prudential Portfolio Managers, where he was latterly a Fund Manager responsible for portfolios worth in excess of £350m.

**IAN RESTALL**  
FLATHILL COMMUNICATIONS GROUP PLC

---

Throughout his career, Ian has been involved in the quoted growth companies sector. His early career was as a stockbroker, analyst, broadcaster and financial journalist in this area and, since founding The Design Portfolio Marketing Services in 1991, he has been active in helping many companies in this sector with their investor communication and corporate reporting requirements. Ian is also Chairman of Flathill Communications Group plc, President of The Design Portfolio Marketing Services Inc. and a member of the Investor Relations Society.

**BENJAMIN ROBERTSON**  
ZEUS CAPITAL

---

Benjamin is Head of Equity Capital Markets at Zeus. He has advised European growth companies for over 20 years and was previously Managing Director of Jefferies ECM and before that Managing Director at UBS responsible for technology investment banking.

**IAN SPENCE**  
MEGABUYTE

---

Ian is the founder and CEO of Megabuyte. In addition to directing day-to-day operations, he has overall responsibility for account management, business development and setting the strategic direction of the business.

Ian has been involved in researching and advising companies in the technology sector for over 20 years. He began his career as a reporter for the Investors Chronicle before quickly making the move into investment banking where, over the next 15 years, he forged a successful career as a Technology Analyst. While an analyst in the City, he was twice voted techMARK Analyst of the Year (the first analyst to attract a double win). More recently, Ian has been recognised twice by Debrett's and The Sunday Times as one of the 20 most influential people in the UK technology sector.

## TOM WRENN

ECI PARTNERS

---

Tom is a Partner at leading Private Equity firm ECI and heads its Tech Sector team. Over its several decades of working with great management teams and founders, ECI has supported businesses across the technology sector – recent investments include IT Lab (IT Managed Services), Auction Technology Group (online marketplace), Wireless Logic (M2M platform), CliniSys (healthcare IT), Kelvin Hughes (marine navigation systems), XLN Telecom (B2B telecoms), Fourth (SaaS), Ascribe (healthcare IT) and CarTrawler (travel technology platform). ECI raised £500m, its tenth fund, in 2014, of which a substantial proportion will be invested in growth tech companies.
